STATE CHAMPIONSHIPS 2013

The National Junior Championships are due to be held at WAAS on 16th/17th March 2013. This was the date we had planned to hold our State Championships. We have therefore had to re-schedule our events as follows.

We have been given a firm guarantee that our booking for $9^{th}/10^{th}$ March is secure. However, there is an outside chance that the other events at WAAS may have to be changed. If this does happen we should know before entries open.
