### FROM THE COMMITTEE

#### QUIZ NIGHT

Many thanks to organiser Barrie Slinger and all those who supported this most successful and enjoyable evening.

#### ORIENTATION EVENING

Despite rather disappointing weather this was rated a success. Consideration will now be given to holding this function later in the year.

#### 1987 PERTH PEOPLES MARATHON

Graeme Lambert, the 1987 Race Director of this most successful W.A.M.C. organised event has written thanking our Club for the loan of the digital display clock and for the participation of our members as competitors, marshalls and for manning the 20 K "Vets" drink station. Graeme looks forward to our assistance again next year.

#### PROGRAMME CHANGES

Please note that the Fordens Run scheduled for 8/11/87 has been moved to 22/11/87. Harrison's Run shown at that date will now be switched to 8/11/87 and will be organised by Jan Johnson.

#### AUSTRALIAN VETERANS ATHLETIC CHAMPIONSHIPS - BRISBANE

These Championships will be held from 1st to 4th April 1988 in the Q.E. II Stadium, Brisbane. At this stage only details of accommodation are available from our Secretary, Sandi Hodge (formerly Walton) ph. 339-2988 (before 8.30 p.m. please).

#### TIME TRIALS - MCGILLIVRAY OVAL AND COKER PARK

These trials will now start two weeks earlier than was originally announced. The first three trials will be held as follows :-

17th, 24th September and 1st October at McGillivray Oval from 5.30 pm. The first two trials will follow a flexible programme. The fourth, on 8th October, will take place at Coker park, Cannington and unlike last year the trials will thereafter alternate between the two venues.

Please remember that \$1 per head is levied towards the cost of holding these meetings. Further details of these trials for October appear on the last page.

#### FAIRBRIDGE WEEKEND 25th to 28th SEPTEMBER

Please note that the camp will be available to the Club from 6 pm on Friday. Incoming members should check in to Sandi in Shakespeare Cottage, who will allocate accommodation. There is a directional map just inside the gate. We regret - no animals allowed. For more information on Fairbridge see page 7.

## PERTH MARATHON 1987 - RICHARD HARRIS WRITES:-

The West Australian Vets threw their weight behind the W.A. Marathon Club's Perth People's Marathon last month by nominating the event as the veteran's marathon championship.

As a result there was a strong turn out of veterans who were good ambassadors for the sport, generally finishing strongly and maintaining good form.

The first veteran home was John Pressley (M40) who was seventh overall in 2:37:49 - his third marathon this year. The second veteran was David Muir (M40) overall tenth in 2:44:02 and the third, Viv Bryant (M41) overall 26th in 2:49:02.

The first woman, who was also first veteran woman, was Janice Collins (W40) who finished in 3:13:16 and Trisha Spain (W45) was overall 5th woman and second veteran in 3:38:39.

Mention must also be made of veterans Graham McDonald (M45) 2:51:13, John Millane (M45) 2:53:15, Geoffrey Steed (M40) 2:54:48, Jim Barnes (M40) 2:56:18, Tommy Watson (M53) 2:56:31, Barry O'Brien (M45) 2:56:34, Graham Thornton (M45) 2:57:39, Morris Warren (M45) 3:29:08, Kathleen Noordyk (W40) 3:43:17, Eddie Strickland (M65) 3:38:02, Duncan Strachan (M65) 4:01:53.

The runners battled as buffeting head wind over the last 14 km and rising temperatures put pressure on those needing more than three hours to finish.

*Quite honestly, I don't know why you bother.*

Don Caplin writes :-

The annual McCallum-Uni and return run was cut down to 15 km this year to fit in with the Road Racing Championship Series. This meant that we didn't quite make the usual turning point at the Uni Boatshed. However, the character of this popular run remained and it attracted a large field in ideal running conditions.

A supporting 8 km event was included for those not wishing to go the full distance.

Ray Routledge led the 8 km runners in with a time of 34m 42s followed by the first lady Sandi Walton who took second place overall in a time of 40m 02s.

Frank Smith was first finisher in the 15 km (R.R.C.) in a time of 53m 28s. Peggy McLiver was first lady in and her time of 67m 58s gave her 41st place out of 81 finishers.

Many thanks to Bev Thornton, Maureen Pomery and Barrie Slinger for their able assistance at the finish line and to Basil Worner for the drink station at the 7.5 km turn around point.

I trust everyone had an enjoyable run.

#### Walkers:

J. Sanger (W35) | 1h. 51m. 15s.  
J. Collins (M75) |

Both the wife and myself were again pleased to see a good turn out for our run.

An accurate distance, crisp, cool and still running conditions plus a touch of Tremlett St Blarney from our local shamrock is all that was needed for enjoyable 10K and 5K. In form Frank Smith led for almost all the run and was first in the 10K followed by a much improving Tom Savin. The 5K was won by Joe Stickles closely followed by Stuart Hoskins. Female performances likewise were very good. Ever consistent Marge Forden finished strongly to take the 10K Dot Brown trophy and Joan Pellier was 1st in the 5K.

I must apologise to the walkers, impatience by me in lifting the flags early took them on an extra 1.2 K. Sorry about that Jack, Joe & Joy. My thanks go to Maureen Pomery, Val Tyson, Avril Yates, my wife Pat and the big Irishman for making the run possible.

JIM BARNES

This year saw 77 brave runners tackle the infamous Kangeroo Hill as it is called - last year we got only 22. The weather was nice and cool with just a hint of a breeze to help us along. The first male to finish the 12K was a Visitor, Steve Mitchell; the first Vet was Tom Savin. First female was Kath Noordyk. Winners in the 8K were Joe Trovato, Irene Stephens. 4K Alan Pomery, Joy Sanger. A big 'thank you' to my helpers who were Mary Robinson, Ray Routledge, Leo Hassam, Alan Tyson, Dave Scott, (Goodluck Dave in the 24 hr. race). See you all again next year.

ALAN CROXFORD

P.S. Both, Irene and Joe set new records for the 8K. Well done. Alan and Joy did the same in the 4K. Good on yer. Tom and Kath set inaugural records in the 12K. Tina Carman was first across the line in female 8K but is Pre Vet W.30. So honours go to Irene Stephens.

### History of Fairbridge

Kingsley Fairbridge was born in Grahamstown, South Africa in 1885 and moved with his family to Rhodesia in 1896. In 1903, aged 17 during a visit to his grandmother in England, he was struck by the sight of poor children in the streets and the waste of their lives in workhouses and orphanages. He then set out to realize what he called his 'vision splendid' :-

"I saw great Colleges of Agriculture (not work houses) springing up in every man-hungry corner of the Empire. I saw children shedding the bondage of bitter circumstances and stretching their legs and minds amid the thousand interests of the farm. I saw waste turned to providence, the waste of unneeded humanity converted to the husbandry of unpeopled acres." After many vicissitudes Fairbridge inaugurated the "The Child Emigration Society" in October 1909. (This was later to become the Fairbridge Society).

In 1912 Kingsley Fairbridge and his wife, Ruby, established the first Fairbridge Farm School at Pinjarra and received into his care the first 13 children from the Mother Country. Thus began the great work of Fairbridge which, in the years ahead, was to provide a new life with a future bright with promise not only for many hundreds of children, but for their own children in turn.

In spite of the difficulties of two World Wars and the untimely death of Kingsley Fairbridge in 1924 at the age of 39, the work he started was maintained and extended by the Fairbridge Society which established other Farm Schools and smaller centres.

With the passing of the Children Act of 1948 the lot of 'deprived' children in England was improved and the need for the kind of help that Fairbridge offered, changed. Nevertheless, the Society established the Kingsley Fairbridge Scholarships awarded annually to young people from England studying for their first degrees at Universities in Australia and Canada.

Thus Fairbridge's 'Vision Splendid' was brought to reality.

Meanwhile Fairbridge Village at Pinjarra was leased to any group willing to use it and maintain it to benefit underprivileged young people. The Jesus people ran it from July 1983 to December 1984, after which no other suitable lessee was available. The Fairbridge Board therefore began using the village as a holiday village, keeping prices to a minimum to enable people, particularly youth groups, to enjoy a holiday at an affordable rate. The money so generated is ploughed back to enable the buildings to be restored and up-graded.

CLUB TRACK-FIELD RECORDS TO 1/5/1987

Dick Horsley reports -

A pleasing feature of our last Track-Field Season was the large number of records broken; a total of 153 (Ladies 101 and Men 52).

Congratulations to all members who competed, whether they set new standards or not. Many athletes had personal bests in their favourite events and I am sure this gave them a lot of satisfaction.

General standards have improved so much that it is expected that those who will be competing in the World Championships in Melbourne, will give a very good account of themselves. Best wishes to them all.

Regarding the attached schedules, errors could creep in, and if any member considers one (or more) of the figures are incorrect, please contact me with the relevant details.
